Your Journey is Structured in Four Clear Phases

1: FOUNDATION (20 Days)

Rewire your mindset and build your entrepreneurial base.

2: CORE SKILLS (90 Days)

Master the essential technical tools of digital marketing.

3: SPECIALIZATION (Ongoing)

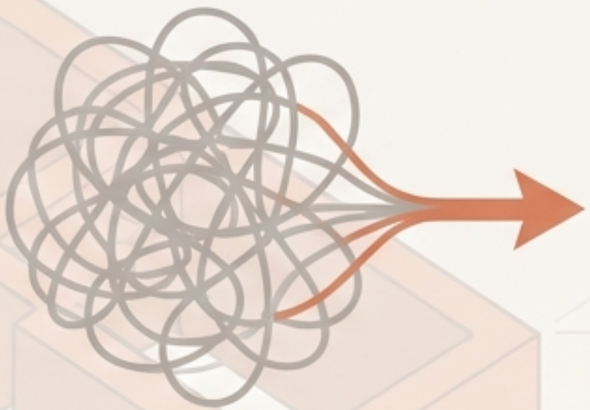

Deepen your expertise with advanced 'Extra Dose' sessions.

4: APPLICATION (Your Choice)

Choose your path—apply your skills independently or become a Brand Partner with us.

Phase 1: Build Your Unshakeable Foundation

The 20-Day Digital Skills & Entrepreneurship Program

Think of your current state as a traffic jam... this program is designed to slowly clear that traffic, giving you a clear vision forward.

Before we teach you the technical skills, we need to build the right foundation. This program is designed to to move you from a fixed mindset to a growth mindset. We will clear the self-doubt and mental blocks so you can see the road ahead.

Host: Prerna Maheshwari

Delivery: Access recordings from Day 1. New live sessions begin the first Monday of every month at 1:00 PM (except Sundays).

Platform: New Joiner Community

Your 20-Day Foundation: From Mindset to Marketing Funnels

Final Step: A culminating bonus session to define your next steps.

Phase 2: Master the Core Tools of Digital Marketing

The 90-Day Basic-to-Advanced DM Course

While you build your foundation, you will simultaneously learn the 'how-to' of digital marketing. This comprehensive course takes you from the basics to advanced execution, giving you the practical skills demanded by the market.

Important Note: This is a deep technical training. It is critical to start from Day 1.
If a batch is already in progress, use the recordings to catch up or wait for the next live batch to begin. Don't jump in midway.

Key Topics Covered

- Website Design
- Search Engine Optimization (SEO)
- Affiliate & Email Marketing
- YouTube Marketing
- Google Ads & Performance Marketing

Your Schedule and Support for the 90-Day DM Course

Live Session Schedule

Frequency:	3 days a week.
Days:	Monday, Wednesday, Friday
Time:	8:15 PM

Communication & Support

Session Links: Delivered in a dedicated Digital Marketing WhatsApp channel (this is separate from the New Joiner Community).

Technical Q&A: All questions related to website design, SEO, etc., are handled in a dedicated Telegram Q&A channel where the trainers are available to help.

Phase 3: Sharpen Your Edge with Expert Skills

The "Extra Learning Dose" Sessions

Prerequisite: These sessions are exclusively for members who have completed the **20-Day Foundation Program.**

Once your foundation is solid, it's time to specialize. **Each of these modules is designed to make** you an expert in a specific, high-demand skill, opening up dedicated income streams.

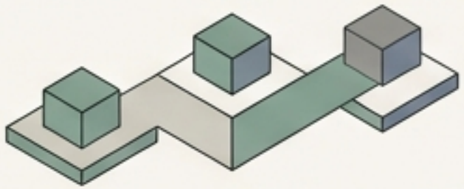

Fridays @ 12:30 PM: Professional Video Creation & AI Tools (10 Modules) with Poonam Ravlani

Saturdays @ 11:30 AM: Advanced Graphic Design (20 Modules) with Mukta

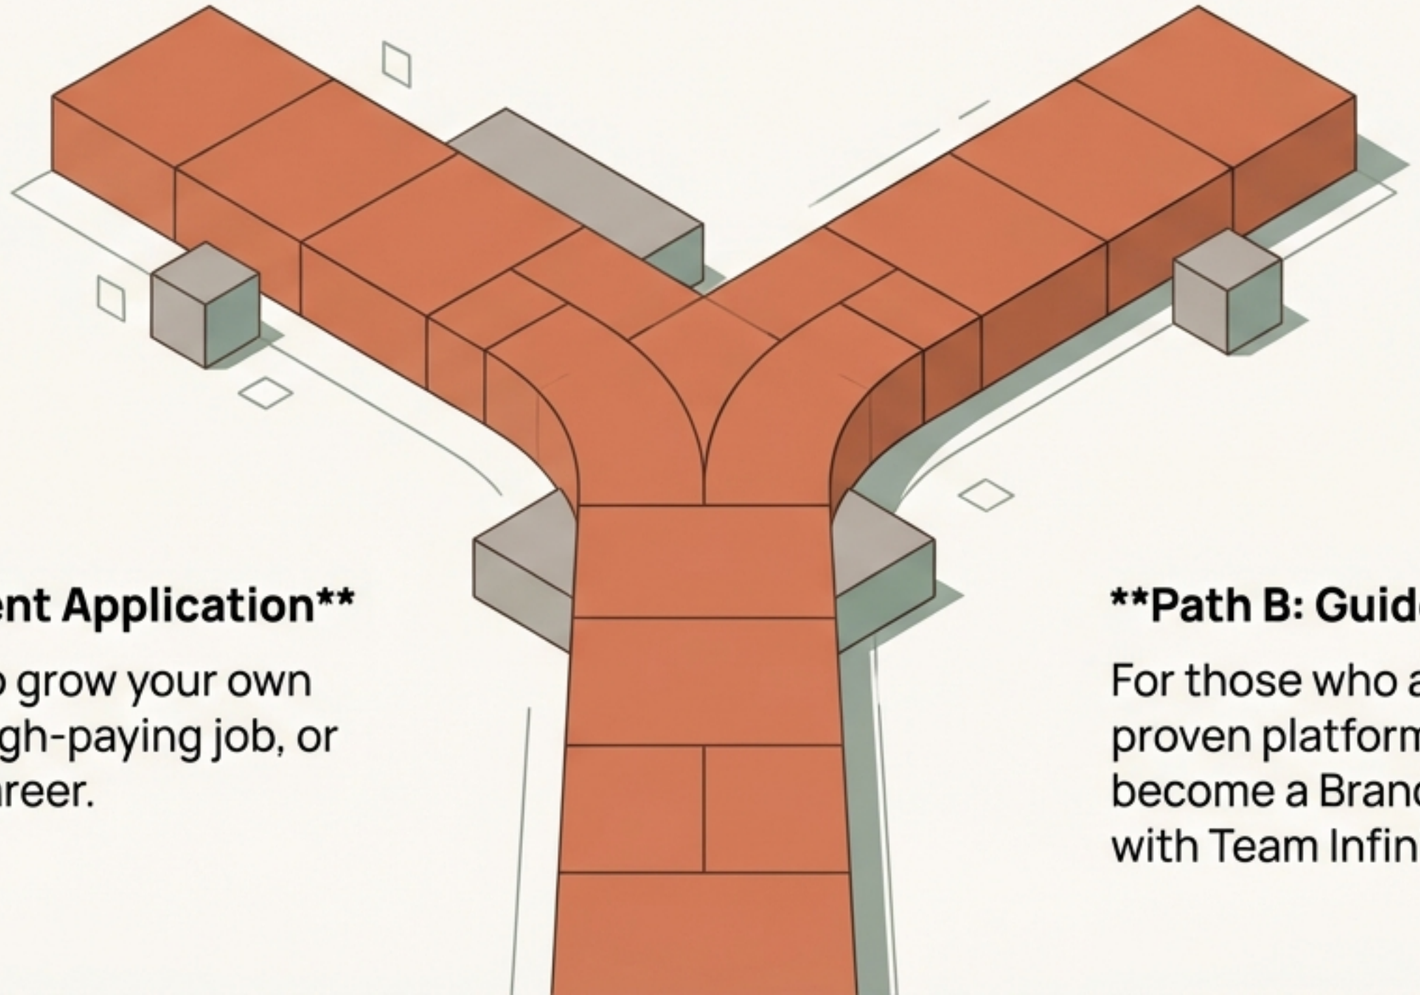

Sundays @ 1:00 PM: Organic Lead Generation across 5 Platforms with Aarti Jain

Add these to your calendar, but only plan to attend after you finish your first 20 days.

A Decision Point: Choose Your Path Forward

After building your foundational and technical skills, your journey reaches a fork. The path you choose depends on your personal goals. Both paths lead to success; you decide which one is right for you.

****Path A: Independent Application****

Use your new skills to grow your own business, secure a high-paying job, or launch a freelance career.

****Path B: Guided Partnership****

For those who are 'blank' and want a proven platform to apply their skills, become a Brand Partner and earn with Team Infinity.

Path A: Launch Your Independent Career

This path is for you if: You have an existing business to scale, you want to get a job in digital marketing, or you plan to offer services as a freelancer.

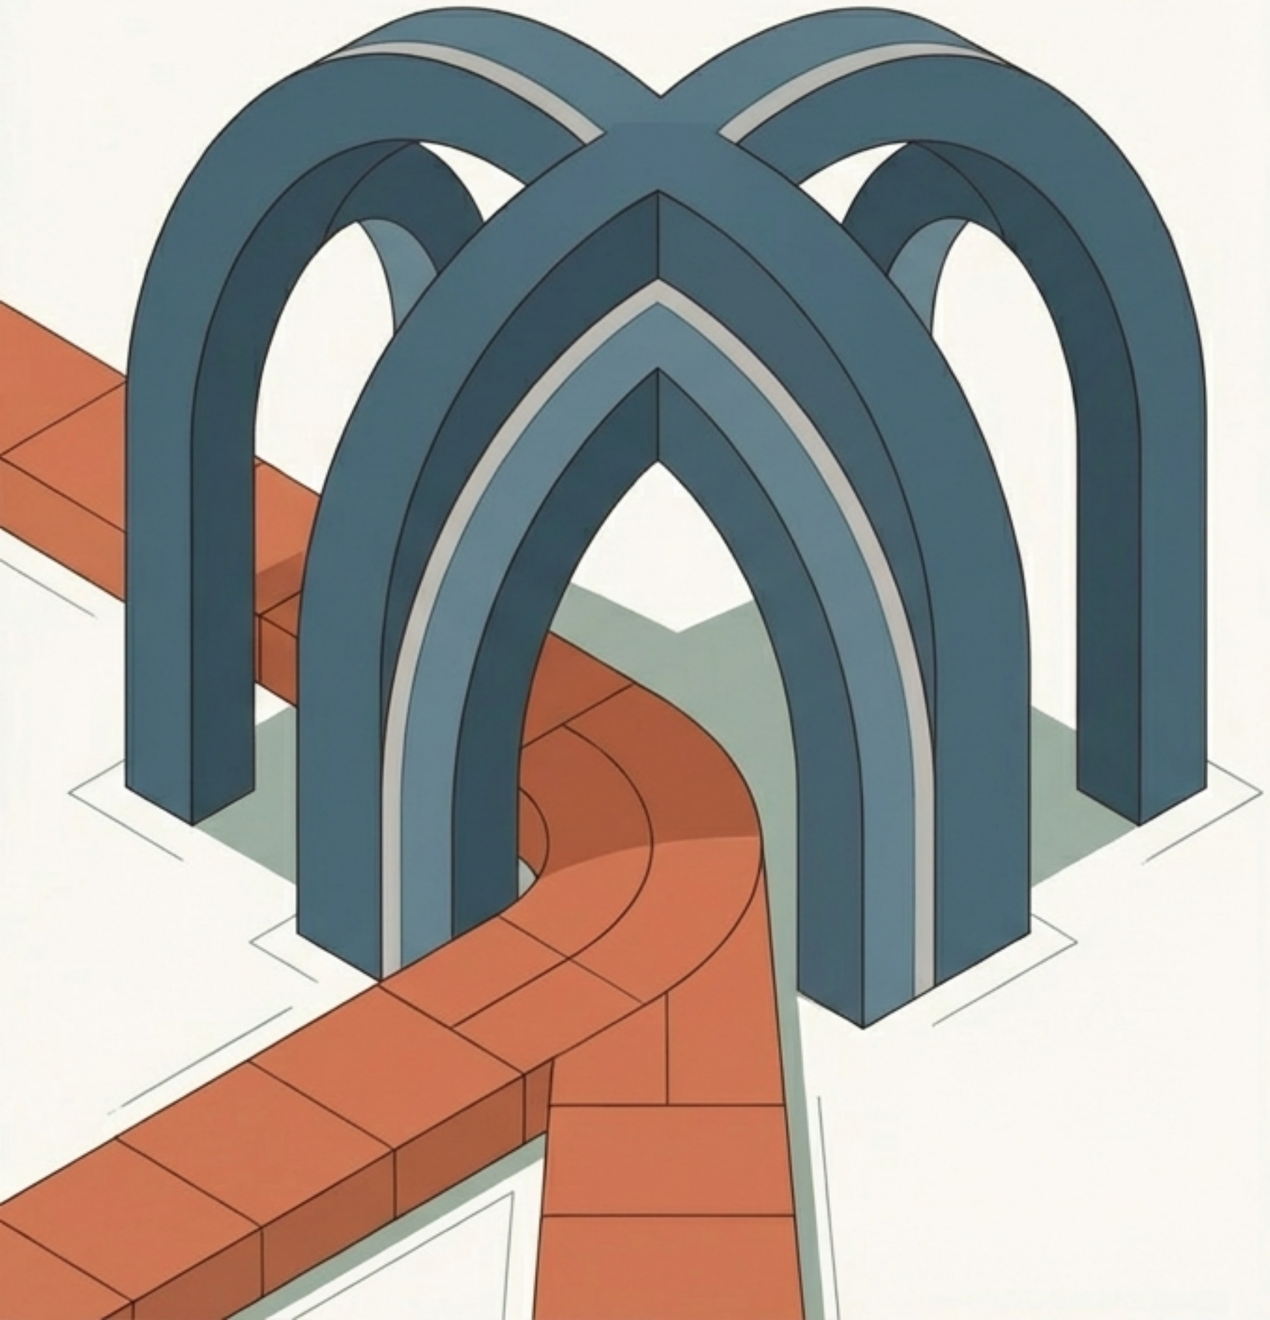

What this looks like:

1. You complete the 20-Day Foundation and 90-Day DM training.
2. You apply these skills directly to your own ventures.
3. Your formal training journey with us concludes, but you remain part of the community.

Support:

You can still access support for technical questions (e.g., website issues, SEO problems) via the designated Q&A channels. Our goal is to equip you for success, wherever you apply your skills.

Path B: Join the Inner Circle as a Brand Partner

This path is for you if: You're starting from scratch, don't have your own product or service, and want a 'done-for-you' platform to apply your skills and start earning.

What this unlocks:

- **Entry into the Inner Circle'**: An exclusive community for our Brand Partners.
- **Platform Access**:: Apply your DM skills within the NV Shoppy ecosystem.
- **Accountability Partner:** A senior member dedicated to your success and growth.
- **Goal**: We aim to help you earn your first check within 30 days of starting this path.

How to Join: After completing your 20-day training, you will receive a form to apply for the Inner Circle.

Inside the Inner Circle: Your Training for Earning

This training is 100% focused on leveraging the platform to generate income.
